## **Citizen's Issues/Complainant**

Any citizen requesting a direct investigation of a specific issue regarding investigative operations would need to submit that issue in writing and in person at the Wiley College Police Department located in the basement of the student union. Simply request a Citizen Issues report form at the time of your visit. This can be done anonymously. However, complaints must be made in person. For the results of the investigation, contact the Chief of Police either in person or by phone (903) 923-1686. Please allow ten (10) working days to address the issue submitted.

Please state your complaint/comments below:
