WHAT'S NEW

CANVAS

Wiley University, Natalie Hill, PhD

SpeedGrader
Studio Media Comment
Screen Capture and
Auto Captioning

In SpeedGrader, the Studio media recorder is introduced for screen capture and captioning.

This update enhances the clarity of instructor feedback and improves accessibility by providing a streamlined user experience.

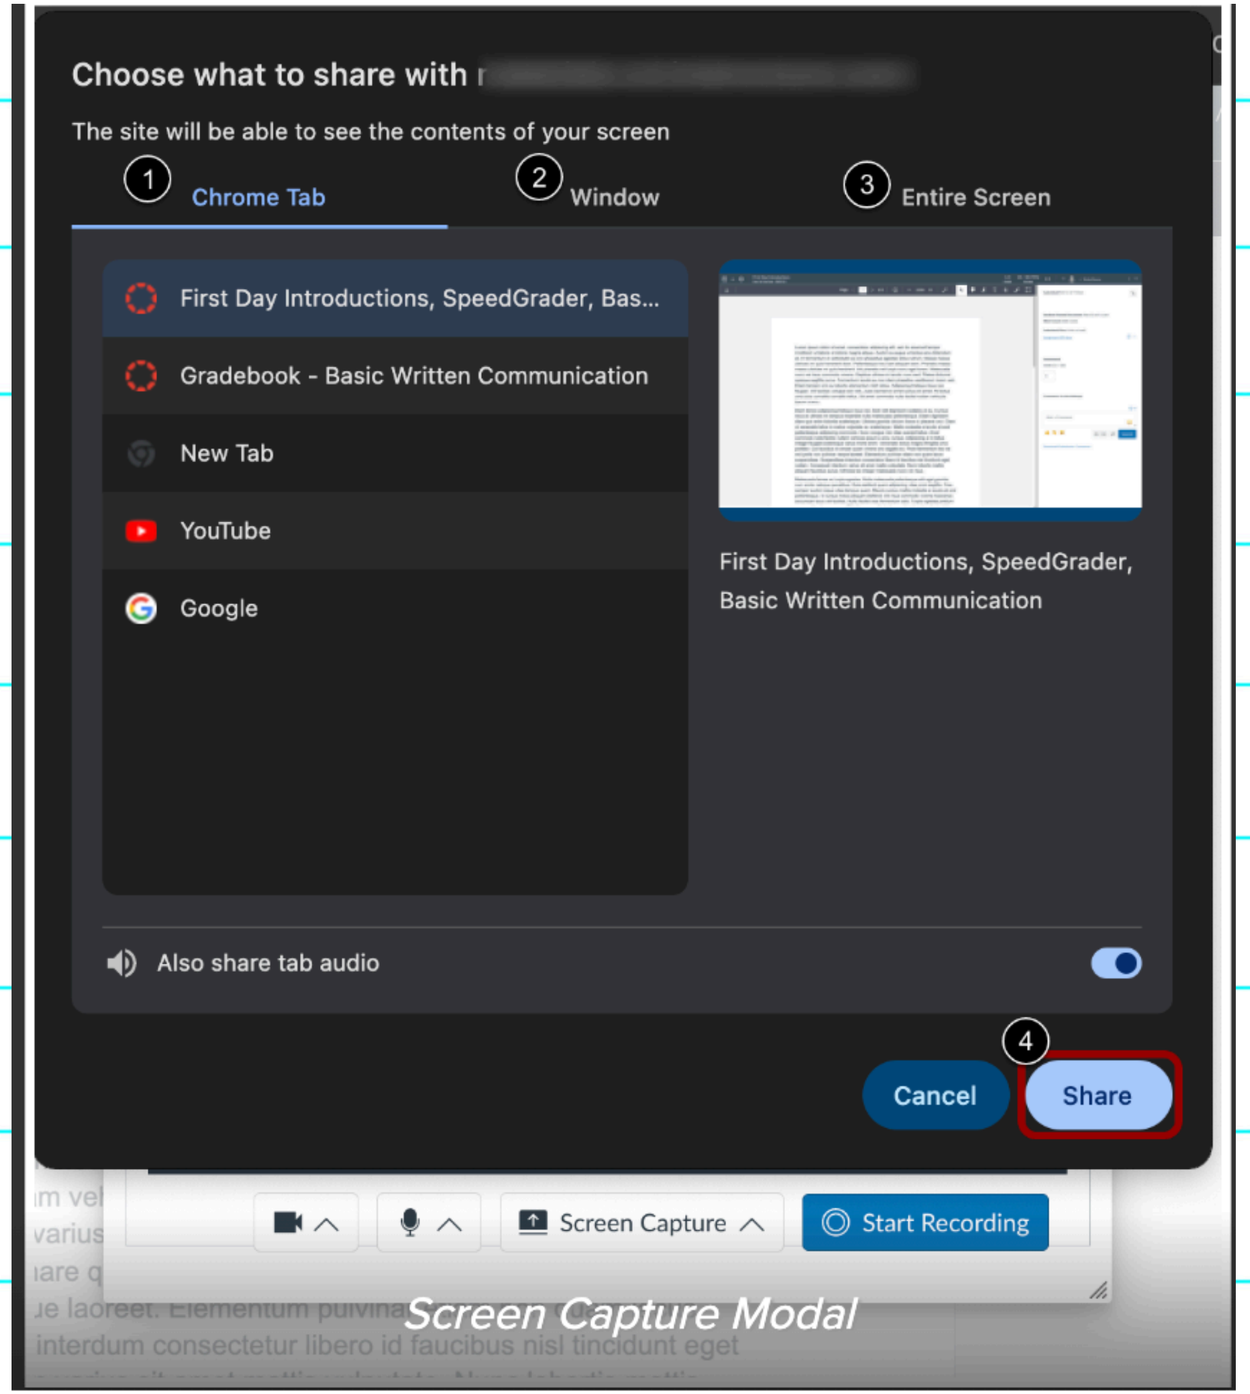
Once Screen Capture is enabled, instructors can select to share a specific Chrome tab [1], specific window [2] or their entire screen [3]. Then, click the Share button [4].



Screen Capture Modal

To manage webcams, click the Camera drop-down menu [1]. Instructors can choose to enable an available camera [2] or disable the camera [3].

Additional Details

The Studio screen capture and captioning features for media comments are only available in SpeedGrader. Additionally, the recorder is only available in Chrome and Edge. Currently, there are no plans to introduce support for Firefox and Safari in the recorder. The Studio recorder for playback will be introduced in a future release.

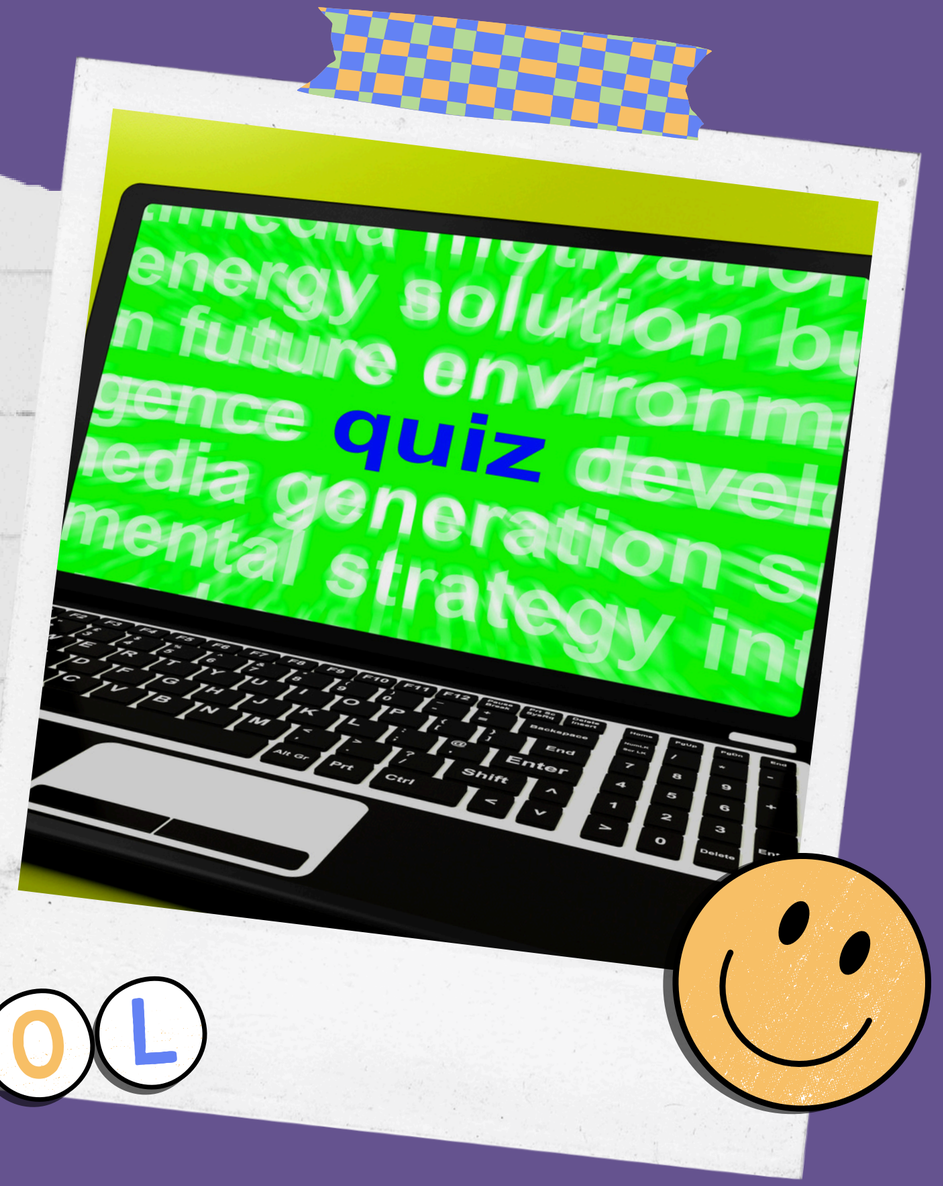
Quizzes



Choose a Quiz Engine

Canvas now has two quiz engines. Please choose which you'd like to use. Learn more about the differences.

- **New Quizzes**

  This has more question types like hotspot, categorization, matching, and ordering. It also has more moderation and accommodation features.

- **Classic Quizzes**

  Currently, Student Analysis Report (CSV format) is available through Classic Quizzes.
